

Hello _____,

I hope this message finds you well. I'm reaching out because I saw you signed up as a mentor through the MassLand Young Land Professionals mentorship program. I'm a YLP member and currently _____(describe professional or student status here. Studying land conservation at school? Working for a land trust? TerraCorps member? Etc.)

Your experience in ____ (describe a reason why you decided to contact this person) __ seems like a great fit for my professional development goals. A few focus areas that I'm hopeful to learn more about are:

1. (list and describe the kind of support you're seeking, such as, engaging volunteers, landowner outreach strategies, being a woman in the land conservation field, etc.)
- 2.
- 3.

Please let me know if you're available to set up a time and talk further. I'm happy to _____(talk on the phone, set up a video chat, meet in person at your office, etc.)____. I look forward to hearing from you.

Thank you,
